

## OUR MISSION

To share our love of rhythm games with the world.

### • IN-PERSON EVENTS

Gather as a community and participate in local competitions and events.

### • E-SPORTS

Take on other players to crown the reigning, undisputed champion of rhythm games!

### • ONLINE COMMUNITIES

Stay connected with other players and witness world records, strategies, and personal bests.

### • COLLABORATION

Grow a community of rhythm game players who support each other and help the genre to grow.
